*“Our company, Phoenix Music Awards LLC, ran a half page ad in the Grammy issue of Music Connection. Within just 36 hours, we received dozens of artist submissions for nomination consideration for our 2014 awards programs. This meant that the ad we ran more than paid for itself almost immediately. Thanks Music Connection Magazine. You guys rock!” -**Al Bowman**, Los Angeles Music Awards*

*“My first record deal came through an ad in Music Connection. Talk about connecting people: you have a success story right here.” -**Marti Frederiksen**, producer/songwriter (Aerosmith, Carrie Underwood, Rascal Flatts)*

*“Music Connection has been the go to place to find musicians, sell or buy instruments, locate affordable rehearsal & recording studios for me since 1980. An indispensable source of trade for all things music.” -**Slash***

“Music Connection is an invaluable source of information for the independent artist community and music industry alike. As a former major label A&R Exec, I signed an act to Maverick/Warner Bros. after discovering him through Music Connection’s “review” section. Now as CEO of a “2.0” digital label and music publishing company, Music Connection is an excellent source of potential clients for our company.”
