# Worship Musician Magazine Distribution

240,000 – Capitol CMG Worship Together List. Capitol CMG is the largest publisher of worship music in the world with a 'Whose Who' of artists and worship leaders on their roster including Hillsong, Matt Redman, etc. Capitol owns 70-80% of publishing of the worship music market.

220,000 – OnSong. OnSong is a push technology that syncs sheet music allowing worship leaders to better facilitate leading worship - <https://onsongapp.com/>

75,000 - Loop Community - [loopcommunity.com](http://loopcommunity.com)

20,000 - Word Worship - [worship.com](http://worship.com)

90,000 – Creation Festival - One of the largest annual worship festivals in the USA. Attendees include artists, musicians, worship leaders and youth groups from across the globe

450,000 - iTickets.com– Worship music fan / consumer market - they are the largest ticket provider to the Christian Community for concerts, conferences and events. Artists include artists, musicians and worship leaders from across the globe

**MORE** being added all the time
